

About Route 66

Our butler's collection

The Philippines' Online Source Of Real World Classics...and more! It is also in our best interest to shape you to be the finest Filipinos (and sometimes Filipinas) this Mother-Effing country is going to be proud of. It's not only for your own good but for your dog's health as well. Remember, first impressions last, what other people don't see doesn't matter. Route 66 is your ultimate route to being a better citizen, err..forget that, just being a better and desirable human being is just fine. So enjoy!
